LICENSING, LEGAL
AND POLICY ADVISORY

We help clients navigate the legal and institutional frameworks governing mining in Rwanda and across Africa. We ensure our clients operate within a fully compliant and legally secure environment.

01 License application and renewal (prospecting, exploration, mining, quarry)

02 Due diligence for compliance and title verification

03 Policy and institutional framework advisory

04 Government liaison and stakeholder engagement

05 Preparation of technical and environmental reports for authorities

06 Mining contract negotiation support
