M'ERIC MINERALS
1 Discovery at a Time

CSR ADVISORY
AND COMMUNITY DEVELOPMENT

Mining projects succeed when communities thrive. M'ERIC helps clients design and implement effective social and community programs. We promote equitable and inclusive community development through participatory approaches.

01 Stakeholder engagement and community consultation

02 Corporate Social Responsibility (CSR) planning

03 Livelihood restoration and compensation programs

04 Local content and employment planning

05 Gender and youth inclusion in mining

06 Social baseline and perception studies
